

# Uxbridge Youth Baseball Association:

## Blast Ball Division

- Blast Ball is a youngster's first chance to play a team sport based on baseball.
- Blast Ball players are turning 4 and 5 years old in the current year.
- They will learn the first fundamentals of baseball using soft bats and balls.
- They bat by hitting the ball off of a post called a "tee".
- All players bat in each inning.
- Batters are not allowed to bunt.
- There is only one base, which the batter must reach before the ball is fielded.
- There are fewer players per team than in later divisions, and players will spend about half of their time socializing, learning skills and learning team spirit.
- Defensive coaches are allowed to guide play from the field.
- Games are short.
